

Welcome to the Info-Session for Incoming Students

Department of Electrical Engineering and Information Technology

We will start soon!

A close-up, angled view of a microchip or circuit board. The chip has various colored components (gold, red, blue) and is set against a blurred background of red and blue light.

Welcome at the Karlsruhe Institute of Technology!

- We will inform you about the following topics:
 - select lectures in the Campus System
 - create a timetable
 - how to use ILIAS
 - register for exams
 - leisure and cultural activities in Karlsruhe

Welcome at the Karlsruhe Institute of Technology!

- Which lectures can I choose?
 - all lectures of the Department of Electrical Engineering and Information Technology
 - lectures from ETIT, BME, MIT
 - 30% should be from the ETIT department
 - you can also choose lectures from other departments, contact us if you cannot add them to Campus
- You find all lectures and their content in the module handbook
 - <https://www.etit.kit.edu/modulhandbuecher.php>

Welcome at the Karlsruhe Institute of Technology!

- Informations regarding examinations:
 - the examination dates are published on the ETIT homepage
 - https://www.etit.kit.edu/pruefungstermine_master.php
 - deregister if you do not want to take the exam, otherwise a 5.0 will be entered
 - in case you have failed an exam
 - Participation in the re-examination
 - ask about the possibility of changing the examination module from written to oral
 - previous exams and protocols can be acquired from the student council
 - <https://fs-etit.kit.edu/>

Welcome at the Karlsruhe Institute of Technology!
